177	AWARE THAT Part 1(18b) of the Fourth Schedule of the Constitution of Kenya, 2010 mandates the National Government to construct and operationalize the national trunk roads. FURTHER AWARE THAT Article 40(3)(b)(i) of the Constitution of Kenya, 2010 provides that the State shall not deprive a person of property of any description, or of any interest in, or right over, property of any description, unless the deprivation is for a public purpose or in the public interest and is carried out in accordance with the Constitution and any Act of Parliament that requires prompt payment in full, of just compensation to the person. We appreciate the efforts by the National Government to improve the infrastructure especially roads in the country. A case in point was the upgrading of Kibwezi-Kitui road to bitumen standards. Such projects require land acquisition to implement. NOTING THAT during the construction of the Kibwezi-Kitui road, the Government acquired land from the people residing along the road. As such, the project was implemented but the residents whose land was acquired in 2016 were not and have not been compensated to-date. This contravenes Article 40(3)(b)(i) of the Constitution of Kenya, 2010. COGNIZANT that the construction of the Kibwezi-Kitui Road entailed improvement of access roads and drainages in the major towns along the road such as Kibwezi Township, the access roads and drainages in Kibwezi town was done but not to completion. During the ongoing rain season, the town has experienced flooding with the water contaminated with effluents being diverted to Kibwezi River hence contaminating it. Stone pitching was not done on the banks of the access roads hence they have been eroded.	<i>Hon. Jades Kalunda, MCA</i>	21/11/2019		21/11/2019	Approved

	<p>FURTHER, in all the shopping centres and passenger picking points along the road, bus-stops were to be constructed. As such, the contractor has not made the bus stops in Kalamba, barrier and Kwa Sunza shopping centres. Some access roads joining the main road were also made inaccessible at points where the main road had drainage alongside it since the contractor did not install culverts at these junctions. This includes businesses opposite Kibwezi Sub-county Hospital, Maweni residential areas among others along the road</p> <p>WHEREAS the construction of the Kibwezi-Kitui road was meant to improve its infrastructure and ease traffic, the construction of the Kibwezi-BP interchange has been delayed due to lack of land thus interfering with vehicular movement at the section under construction. In addition, several feeder roads that were being used by the contractor to source for hardcore and sand were left in dilapidated state and require urgent repairs. These feeder roads include: Kibwezi-Mbui Nzau road, Kalamba- Kalungu Road and Siembeni-Mulima Ndeleva-Kalungu Road.</p> <p>AND WHEREAS Article 189(1)(a) of the Constitution of Kenya, 2010 provides that Government at each level shall perform its functions, and exercise its powers, in a manner that respects the functional and institutional integrity of government at the other level, and respects the constitutional status and institutions of government at the other level and, in the case of county government, within the county level, this ASSEMBLY THEREFORE URGES the Senate to intervene and ensure that:</p> <ol style="list-style-type: none"> i. The residents whose land was acquired during the construction of Kibwezi-Kitui road are duly compensated within the current financial year; ii. The poor drainage systems in Kibwezi township is rectified to avert further flooding in the town during the rainy season and not to contaminate the Kibwezi river; iii. The access roads used by the contractor to source for construction raw materials are repaired within the current financial year;
