## APPENDIX

### PAPERS:-

- i. The Biannual Progress Report of the Committee on Trade, Industry, Tourism and Cooperatives, for the period January to June, 2018.

*The Chairperson, Committee on Trade, Industry, Tourism and Cooperatives*

- ii. The Biannual Progress Report of the Committee on Agriculture Livestock and Food Security, for the period January to June, 2018.

*The Chairperson, Committee on Agriculture Livestock and Food Security.*

### NOTICES OF MOTION:-

- i. **THAT, AWARE** that apiculture is a valuable and largely unexploited livelihood diversification option for small scale farmers, **APPRECIATING** that Kenya has a potential of producing 100,000 metric tons of honey annually although only 20% of the potential is tapped, **FURTHER APPRECIATING** that Makueni County currently produces 110 metric tons of honey annually according to the 2018-2022 Makueni County Integrated Plan, **NOTING** that the County is located in a region that experience arid and semi-arid climatic conditions which are ideal for the apiculture industry, **FURTHER NOTING** that although the County Government of Makueni has invested in Agriculture, climate change has adversely impacted the mainstream agricultural activities and increased vulnerabilities within the 78% of Makueni population involved in agricultural activities, **COGNIZANT** of the that agricultural activities are devolved functions as per the Fourth schedule of the Constitution of Kenya, 2010, **APPRECIATING** that the apiculture industry is pro-forest as it enhances protection of the environment hence making it a climate change resilient/adaptation economic activity, **COGNIZANT** that apiculture is a source of income, food, medicine as well as an improved sense of well-being to the citizenry, **CONCERNED** that despite the existence of markets within and outside the County, honey yields and returns are still low compared to the County's potential, **FURTHER CONCERNED** that apiculture has been extensively practiced traditionally and the County has not intensified value addition in apiculture to make it commercially viable

for farmers, **FURTHER COGNIZANT** that the County Government has not developed an apiculture policy to guide the development of the industry in Makueni County, **AWARE** that the theme of Makueni Vision 2025 is **economic empowerment for sustainable livelihoods with focus on youth empowerment, COGNIZANT OF THE FACT** that formulation and implementation of strategic interventions by the department of Agriculture, Livestock and Fisheries can promote value addition in the apiculture industry, **NOW THEREFORE** this County Assembly urges the County Department of Agriculture, Livestock and Fisheries to formulate an apiculture policy to institute production, value addition, trade and commercialization of the apiculture industry in Makueni County.

*Hon. Justus Masesi, MCA.*

- ii. **THAT**, this Assembly adopts the Biannual Progress Report of the Committee on Trade, Industry, Tourism and Cooperatives, for the period January to June 2018, laid on the Table of the Assembly on 19<sup>th</sup> September, 2018..

*The Chairperson, Committee on Trade, Industry, Tourism and Cooperatives*

- iii. **THAT**, this Assembly adopts the Biannual Progress Report of the Committee on Agriculture Livestock and Food Security, for the period January to June 2018, laid on the Table of the Assembly on 19<sup>th</sup> September, 2018.
